

New management and technology stewards at Papros
Inc.

Papros continues to be operated and run by its CEO and President Dr. N. Nagaraj.

To develop new initiatives in developing technologies, Papros has two new stewards for information technology, product management and technical stewardship.

Mr. Nathan Nagaraj, BS in MIS (Management Information Systems) at San Jose State University (2019) will offer stewardship in IT matters, management of complex supply chain network topologies and advanced data metrics.

Mr. Gajan Rathnam, BS in Computer Science and Engineering, University of California at Los Angeles (2020) will offer stewardship in product management, blockchain and artificial intelligence technologies.
